Benefit Cruise in For Diane Alberts

Saturday, September 27, 2025
4 P—9 P

Scotty's Hometown GRILL
30 Buffet Blvd. Taylorsville, NC

Diane, Scotty's most loved hostess of over 17 years, was diagnosed with stage 4, extensive small cell carcinoma— an aggressive type of lung cancer in December of 2024. In January of 2025, after undergoing surgery for a port placement, multiple doctors visits and test, she started her chemo and immunotherapy treatments. She received 12 treatments between, January and April. Her pet scan then showed the cancer was undetectable. She continued immunotherapy after that for maintenance every three weeks. Her most recent Pet scan has shown the cancer did not respond to the immunotherapy and came back. She resumed chemo in August 2025 and was told it would be indefinite. She has and will miss a lot of work through these treatments, doctor visits, pet scans, etc. Diane continues to have a lot of faith, tenacity and determination., and constantly has the best outlook through her journey.

All Street Rodders, family, friends, coworkers, church friends that would like to come and support Diane come join this event. Everyone is welcome.

We will have a donation box, auction and baked good items, and a 50/50 drawing with all proceeds going to Diane.
